Dear Don:

Thanks for sending me your comments. I wanted to have them but felt uneasy about asking for them. Having them, I can thank you, and say, too, how grateful I am for the way you looked after me --on that regard and in all others. Please pass along my thanks to Bill, too, for all of his ministrations. I hope, in regards to both of you, that what began in ceremony will continue in substance.

Later,

Erving Goffman
