Council Holds Decision On Zoning Area

Members of Fairfield borough council have decided on the location of the new borough hall, the site of which is to be determined by the Comprehensive Plan in its final form.

LARRY L. MURPHY

Borough Supervisor

The announcement was made by Borough President John Murphy, who said that council members had discussed the possible locations for the new borough hall, including several sites in the borough's central area.

The President said that the decision will be made after further consideration of the Comprehensive Plan.

Borough councilors were also expected to discuss the matter at their next meeting, which will be held on the first Monday of every month.

Say Exer-Cor Ads False

The notice of the contribution to the Fairfield Fire Department has not been received, which is due to the fact that the department's funds are currently low.

The department is currently seeking contributions to help support its operations and provide necessary equipment.
